

Who are the people in school supporting children with SEND?

At Village Infants School we have a dedicated team who support all our pupils including pupils with SEND. In school we have:

- A qualified SENDCo
- Reading Recovery Teachers
- A part time SEND specialist teacher
- Teaching Assistants
- Teaching Assistants with social skills training
- Specialist Support Assistants
- Specialist Support Assistants with autism training
- Specialist Speech and Language Practitioners

Outside agencies which we have access to include:

- Educational Psychologist
- Speech and Language Team
- School Nurse
- Child Development Team
- Children's Services

The Headteacher and SENDCo provide support in school for teachers and support staff working with pupils with SEND. The school also arranges for outside agencies to provide training and support as appropriate. Courses and training may be run in school or involve attending other settings.
