**Parent Reminders: Punctuality & Attendance**

**Arriving Late for School**

I understand from time to time due to unforeseen circumstances your child may be late for school, however, children who arrive late to their class can feel anxious as they have arrived later than the other children, they can also miss out on learning time. Please try to ensure your child is on time.

**Absence Reporting**

If your child is ill and unable to attend school, you **must** inform the School Office by 9.30 am on your child's first day of absence, either call the School Office on 0208 270 6589 or leave a message via Parent Mail. If we do not hear from you a member of the office staff will call you.

**Medication**

If your child has been unwell and you feel they are able to come to school but they have been prescribed medication that may need to be given during school time, we may be able to do this for you please see a member of office staff to arrange.

**We would like to remind you to seriously consider any time that your child may be absent from school as any time away can have an impact on learning and social development**

**Our Sponsored Jump a Thon was a fantastic success the children had a great time skipping and raising funds for resources for the school – It was such a great day even our teachers joined in the skipping fun. We will let you know next time how much you helped us raise.**

**Skipping ropes are now available to buy from the School Office (£3 each)**

**Harvest Appeal**

A huge thank you for your kind donations for the local foodbank. You have really made a difference to people in crisis during this difficult time.

Everyone wants the best for their children but it can be hard to know what to do as a parent in early years that's where HENRY can help.

Village Infants School are hosting a HENRY programme in school for parents to attend. The programme is free to join and helps you give your child the best possible start in life.

If you would like to apply for a space or would like further information, please contact the School Office.

**Winter Clothing**

Summer is over and it is getting colder, please ensure your children come to school every day with a **coat that will keep them warm & dry.**

We do try to go out to play in all weathers.

Therefore, please make sure your child's **name** is in their coat and any hats and scarves that they may also bring to school.

*Thank you*
