Thursday 6th October 2022

Dear Parents/Carers,

Little Wandle

Our school has chosen Little Wandle Letters and Sounds Revised as our Systematic, synthetic phonics (SSP) programme to teach early reading and spelling.

Phonics is:

‘Making connections between the sounds of our spoken words and the letters that are used to write them down’

You are invited to a Parent Workshop, please see the times below:

Tuesday 11th October at 2.30pm

Or

Tuesday 11th October at 6.00pm

The workshop will give you an insight into the programme and will hopefully offer guidance with ways to support your child with their learning at home.

The workshop will last for approximately 30 minutes.

Your child’s class teacher will give you the following documents at parents evening:

- Programme progression for Reception
- Phase 2 grapheme information sheet, these are the sounds the children are learning this half term
- How to write capital letters guide

Please speak to your child’s class teacher if you have any further questions.

Yours sincerely

A handwritten signature in cursive script that reads 'Y. Cattle'.
