To Year 1 and Year 2 Parents

Guided Reading Books

Every week the children will read with their teacher in a Guided Reading Lesson and then the children will be able to take their Guided Reading book home to read to you.

It is very important that you read these books with your child that evening to continue their learning and then return them to school the following day, as they are part of a set that other classes will then use.

We have recently purchased new Guided Reading books and would be very grateful if you could make sure the children take good care of them and they are returned the next day.

Thank you for your support

Kind regards,

Yolanda Cattle
