Village Infants PE Grant 2022-23

| Key achievements to date: | Areas for further improvement and baseline evidence of need: | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|
| Increased funded opportunities for after school sports clubs for all pupils. Fitness and wellbeing club for vulnerable pupils Improved engagement with fitness and play activities at lunchtime through CPD for MDAs with specialist sports coach Improved pupil fitness through engagement with new outside resources chosen to encourage physical fitness | Given the exceptional circumstances of the past few years with pupil access to play activities and outside environment being disrupted by Covid19 school closures and H&S restrictions, the grant this year, including the carry forward, will be directed to improving outdoor provision. Previous fixed outdoor play equipment condemned. School will provide new fixed outdoor equipment to develop mental and physical wellbeing, strength and agility of pupils. To continue to improve staff CPD through use of sport coaches. | | |
