

### **Literacy**

1. Name writing practise
2. Practise forming letters of their name correctly
3. Oral blending practise- use Little Wandle website for ideas of games to play at home with your child
4. Read rhyming stories together
5. Continue to read every day with your child, a range of fiction and non-fiction texts
6. Choose a topic to find books related to at the library e.g., farms

### **Expressive Arts and Design**

1. Make a fruit salad together- what do the fruits smell and feel like? What do they taste like? Which one is your favourite?
2. Talk about the different patterns on animals
3. Begin to use different emotions in their drawings and paintings e.g., happiness, sadness

### **Communication and Language**

1. Encourage your child to talk in different tenses accurately. E.g., Yesterday we went to church.
2. Encourage your child to ask how and why questions in relation to stories you have read together
3. Understand prepositions e.g., in front, behind, next to

### **Summer Term 3a**

## **Topic: Growing**

Ideas to support your child at home

### **Understanding the World**

1. Talk about Eid and find out how it is celebrated. Bring in photos to share if you celebrate Eid as a family
2. Watch the Coronation of King Charles III
3. Visit a farm and look at the different animals and their babies. Find out the names of baby animals
4. Encourage your child to help you care for any plants you have in your home or garden

### **Mathematics**

1. Discuss what you do at different times of the day e.g., in the morning we eat breakfast, at night time we have a bath
2. Experiment with shapes to create new shapes e.g., putting two triangles together to make a square
3. Recognise some numerals of personal significance
4. Begin to understand each number is one more than the number before

### **Personal, Social and Emotional Development**

1. Talk about the difference of right and wrong
2. Continue to encourage sharing and taking turns when playing together
3. Build your child's confidence and self-esteem by celebrating their successes, praising them and encouraging them

### **Physical Development**

1. Encourage your child to draw, colour and paint pictures to develop fine motor skills
2. Play with your child encouraging them to move in different ways: crawling, running, jumping, skipping etc
3. Encourage your child to use cutlery when they are eating
