

What support can I expect as the parent of a child with SEND?

- The class teacher is regularly available to discuss your child's progress or to share any concerns you have. Information can be shared about strategies that work well at home/school.
- The SENDCo is available to meet you to discuss progress or any worries/concerns that you have.
- If your child has received support from outside agencies all information will be discussed with you.
- A home/school book can be used to support communication.
