

## Statement of Interest for Co-opted Governor Role

I would like to express my interest in becoming a co-opted member of the Governing Board. As a qualified teacher and SENDCo, I have a deep understanding of the needs of the school community and a strong commitment to supporting its ongoing development.

Having previously served as the staff governor for two terms, I thoroughly enjoyed contributing to strategic discussions, using my insight into both teaching, learning and SEN provision to help shape decisions that positively impact pupils and staff. More recently, I have taken on the role at Trinity Special School, further broadening my governance experience and understanding of diverse education settings. I have also recently embarked on a LBBB Governor Accredited Programme (GAP) to ensure my understanding of all aspect of the role is refreshed and up to date.

I wish to continue supporting the school in a governance capacity while also enabling a dedicated colleague to step into the staff governor role. As a co-opted member, I would bring my experience and passion for inclusive education to the board, ensuring that the needs of all pupils remain at the heart of decision-making.

I would welcome the opportunity to continue contributing to the school's success in this capacity.
