VILLAGE NEWS

HEAD TEACHER MESSAGE

Happy Friday everyone. It has been a great first 2 days settling year 1 and 2 back into school. We have all been very impressed by how confidently your children have coped with their new routines. This week I have observed teachers working hard to get to know your children and establish good routines. Well done to the children who were here on Thursday and Friday and we look forward to a full week next week.

I have enjoyed spending time with your children and learning more about your great school! Thank you again for your warm welcome and I will continue to see you all on the gate in the mornings and afternoons.

Have a great weekend.

Mr Carbutt

PREPARING OUR EARLY YEARS....

The Early years team have been working very hard to prepare the setting for your children's arrival. Please use the transition sessions as an opportunity to meet the staff. We expect all Reception pupils to attend all sessions in preparation for their first full day.

Good Thinkers, Good Learners

To ensure your children ar ready for a full week of learning, please continue to practice good bedtime routines. We can not wait to see alert and ready pupils on Monday.

SCHOOL COUNCIL

Year 2 school council members were amazing role models this week, demonstrating to year 1 how to use the playground equipment. Super work, you demonstrated care and maturity!

INDEPENDENCE

A special well done to pupils in year one who have shown great **independance**.

Pupils were able to say goodbye, walk to class and find their new pegs! A great start year 1!

RESILIENCE

Next week we will begin exploring our values as a school - so please talk to your children about **Resilience** and that it is an important 'Power' on the first few days of school.

ATTENDANCE

Thank you for putting good routines in place and sending your children to school on Thursday and Friday. **We expect all children to attend every day next week** and we will begin awarding classes their attendance awards in assemblies from next week.
