VILLAGE NEWS

HEAD TEACHER MESSAGE

It was lovely to welcome our pupil's staff and families back to Village on Monday – we hope you had a fantastic week together.

This week we have focused on settling our pupils back into school. I am happy to say I have observed our pupils focusing on their learning and trying their best.

Several times this week pupils told me about their learning in class, they were eager to tell me their class had 100% or were excited to tell me about their 'perfect pencil grip'. Well done children – super learning on your first week back.

I was also happy to welcome three of our local Counsillors as well as a member of the highways department to the site this week to discuss the challenges our community face on the drive. I hope that our conversations spark action, and I will announce any updates as soon as I find out.

LOOKING AHEAD

The school this week is full of the buzz of the winter season. We have set the dates for all our festive activities and events, and I am pleased to share them with you in the newsletter. We hope you can attend and engage in these events. As the new Head Teacher, I look forward to celebrating the festive season with you all.

Year 2 have been excited all week, as today they enjoy Pirate Day and Year 1 are finalising their wonderful trip on Monday.
Thanks to all families who have supported these events. We all appreciate your support.

Mr Carbutt
Head Teacher

CERTIFICATES
