VILLAGE NEWS

HEAD TEACHER MESSAGE

Thank you, parents and carers, for getting pupils to school this week, those mornings were chilly, but the afternoons were glorious. We have all made the most of the sunny evenings.

I am looking forward to seeing pupils next week practice their handwriting and work on their presentation. I hope to give out some special certificates to pupils who are focused on their letter formation.

Please take note of the calendar dates below. We will be celebrating Harvest in year 1 and 2 with a special assembly and having our Autumn parents evening before the half term break. We look forward to welcoming you into school!

READING AT VILLAGE

Excitingly, we have our first Reading Workshop with Reception parents on Wednesday 30th September at 9am followed by the year 2 meeting on the 7th September. Our reading leads will explain how we teach reading through phonics and explore how you can help your children at home.

Reading books and reading journals are now in book bags. When the children complete 5 reads and their book is signed by an adult, they will get a special reading sticker in class. Already children are telling me on the gate they have read at home! Well done children.

Have an amazing weekend and we look forward to welcoming you to school on Monday.
